13 MAY  
2019

## Face Collage

## Do...

This week is Mental Health Awareness Week. To celebrate, we invite you to create a collage portrait from cut up newspapers and magazines.

## Think...

You could make a cut-and-paste portrait of someone else, or, if you're feeling brave, attempt a self-portrait.

## Share...

How did others get on? If you like, share your creations in a portrait gallery.
