## Magical Creature

### Do...

Create your own magical creature. You can draw it, write about it... whatever you fancy. What does your fantastic being look like? What are its special powers? Let your imagination fly!

### Think...

Does your special creature represent you in some way? What would it be like to have your creation as a pet or a guardian?

### Share...

Introduce your magical creature to someone else's. Do you think they'd get on? How are they similar or different?
