Message to a Stranger

Do...

17th of February is Random Act of Kindness Day. Create a bookmark with a positive message on it, and leave it in a library book for a stranger to find. Decorate your bookmark any way you wish. Where will you leave it?

Think...

What message would give someone a pick-me-up? What would you appreciate hearing yourself? How does it feel to brighten a stranger's day?

Share...

If you like, share your bookmark message with someone else before you tuck it away. Do you like their message?
