Joke Swap!

Do...

Today's challenge is simple. Make someone laugh! You might have a favourite joke, a funny anecdote or a silly story... whatever tickles your funny bone.

Think...

Do you consider yourself to have a good sense of humour? What makes you chuckle? Are you good at telling jokes? Maybe you know someone who's really gifted at putting a smile on people's faces?

Share...

Share your jokes, funny stories and observations. There's nothing like a good laugh...
