

# Artdiamonds

challenge  
week  
16<sup>SEP</sup> 2019

SEPTEMBER 21 is  
World  
Alzheimer's Day

## Our High Street

### Do...

Create the local high street, adding drawings, collage and memories over the week. You could add on shops from the past, and even the shops you would love to see in the future!

### Think...

How do you use your local high street? How does it reflect your town and the people around you?

### Share...

Share your memories and stories with the group. What conversations do your memories spark?
