Celebrate!

Do...

Congratulations! We did it. To mark the end of this year of creative challenges, we'd like to design your very own trophy. What would your own 'creativity trophy' look like?

Think...

How did you find taking part in creative activities? Did you find yourself discovering new skills, rediscovering old ones or making new connections?

Share...

Share your trophies with each other. It's easy to get creative. If you'd like simple tools and resources, check out

www.dothinkshare.com.
